# Who is already using FC.APP?

Our mobile app makes organizing tournaments seamless for everyone – football clubs, sports companies and regional federations.

FC.APP has already over 40 000 users and 15 000 teams. Use our team database to immediately complete your tournament squad!

## Football clubs

## Tournament organizers

## Regional federation

# Save time with FC.APP

Football academies and clubs organize an average of eight tournaments a year. Each event demands more effort than single matches. With FC.APP, you save valuable coaching time!

Task	No FC.APP	With FC.APP
Contacting & scheduling	~150 calls, ~50 re-calls	Automatic notifications sent to potential participants
Player availability & participation	16 players to contact per event	One-click confirmation
Tournament scheduling & adjustments	~35 hours, manual rescheduling	Automatic timetable, setup of 6 minutes or less
Feedback & statistics	Post-tournament conversations	Automatic stats & in-app ratings

# Tournament management

## 1. Before the tournament

- Team sign-ups and assembling
- Communication and coordination

## 2. During the tournament

- Real-time tournament management
- Tracking results, table standings, and goals

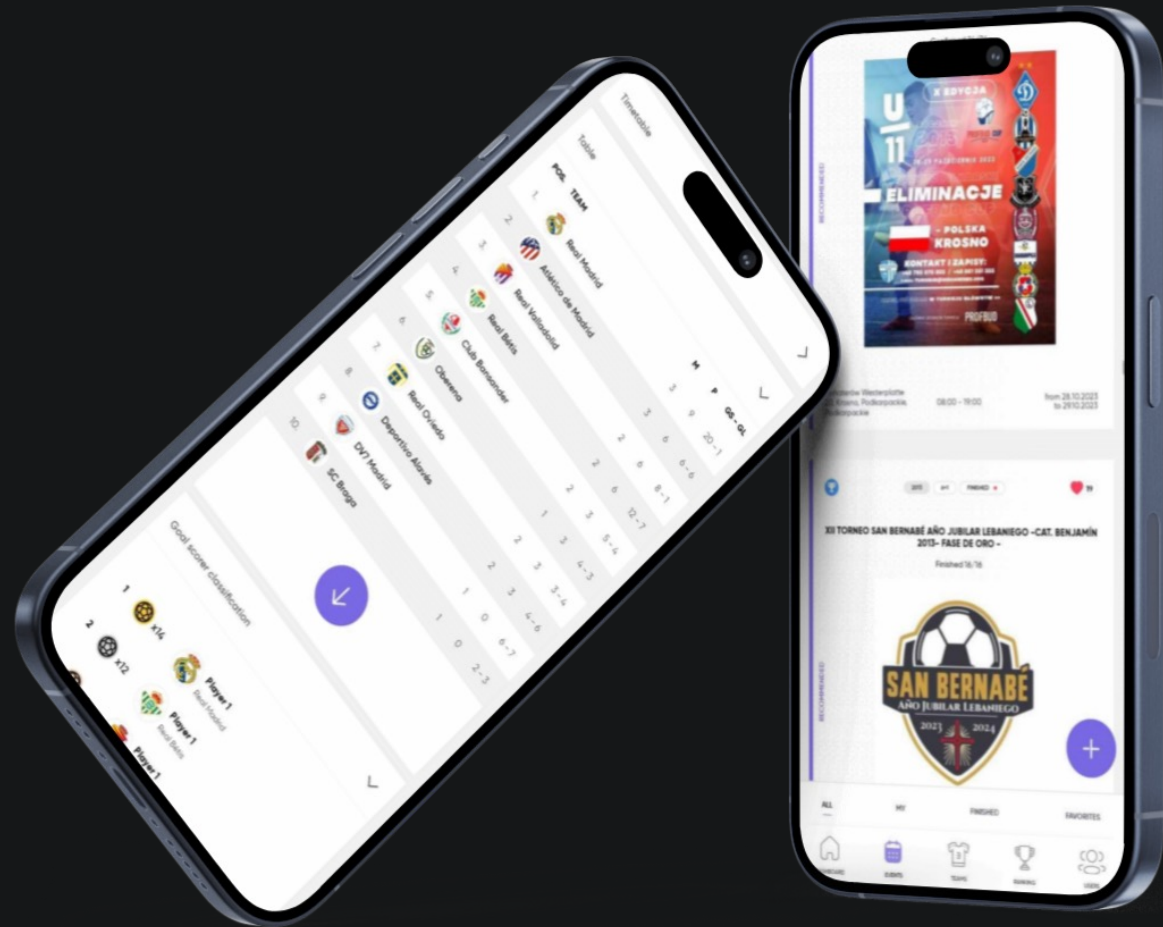

## 3. After the tournament

- Archiving and documentation
- Visibility and analysis for future improvements

And all of this in many languages:

with more coming soon...

# FC.APP: your ultimate tournament tool

## Acquiring teams for tournaments
